**Miscellaneous.****Cuticura.****REMEDISE**

Have Achieved the most noted success of any Medicines of Modern Times.

Messrs. Weeks & Potter have never denied the specific properties of Cuticura, and have given a good reason for the speedy, permanent, and economical cure of rashes of the Bl. Ed. Skin and Scap. They are however astonished at the universal success of Cuticura, to be expected that in the hands of some they would fail solely from spasmodic or igno-

rum. They are caused to say without fear of contradiction that no remedies even achieved in the short space of one year outnumber the cures performed by the CUTICURA REMEDY.

**SALT RAHUM,** Covering the Body for Ten Years, Permanent Cured.

OFFICE OF CHAS. HUGHTON, 17 Cornhill, Boston, Mass.

Messrs. Weeks & Potter continue, I feel it is due to inform you that the throat is all you are interested to know the case, that a number of us now have the case, and that in our opinion, which is based on my personal observation from its first appearance to the present time, about 100 cases of Cuticura have failed to be expected that in the hands of some they would fail solely from spasmodic or igno-

rum. They are caused to say without fear of contradiction that no remedies even achieved in the short space of one year outnumber the cures performed by the CUTICURA REMEDY.

**Liver Complaint.** And Dyspepsia treated by the Re-solvent, Gains 5-12 pounds on one bottle.

GENTLEMEN—I have had Liver Complaint and Dyspepsia for ten years on the side of my neck, for ten years. Doctors did no good. I have been spending eight years and it did me no good. Every time I ate I was obliged to vomit from 1 to 152 pounds. At last I tried the Remedy and it helped me right off, and now I am better than ever. I am now 152 pounds. It is doing the business, and I am going to starve.

Yours truly, JOHN H. ROY,
